

Instructions for digital registration

Below are the simple five-step instructions to register for the Amsterdam in-water Boat Show 2010.

Go to www.hiswa.nl/inwaterboatshow and click on the button 'Registration Amsterdam in-water Boat Show 2010'. The digital registration window will open automatically.

1. Enter company details

- Enter all your company details correctly. NB: fields marked * must be filled out.
- Once you have entered all your details correctly click 'continue'.

2. Order products

- Enter the details for the products you want to order. Click on each heading to ensure you order everything you need.
- Once you have completed all the relevant tabs click 'continue'.

3. Overview

- In this step you will see a complete overview of all your company details and ordered products.
- Check all your information. If everything is correct click 'continue'.

4. Confirmation

- Here you need to agree to the Exhibition Costs, Conditions of Participation and Exhibition Regulations (which can be downloaded via tab 4) by ticking all the appropriate boxes. After doing so click 'continue'.

5. Print confirmation

- This last step allows you to print your confirmation. Sign and send the confirmation to HISWA Multimedia BV via post, fax or e-mail. We will confirm your registration after having received your signed form

Feel free to contact the Amsterdam in-water Boat Show project team with any questions regarding digital registration.
